NATIONAL SERVICE SCHEME - 2023-2024

"State Level Workshop on Environmental Awareness (MeendumManchhapai)" - 15.02.2024 to 17.02.2024.

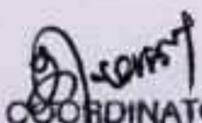

REPORT

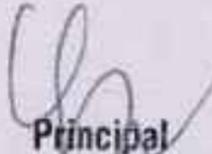

A team comprising five dedicated National Service Scheme (NSS) students and the NSS Coordinator, Ms. E. Mala, from Islamiah Women's Arts and Science College in Vaniyambadi, demonstrated their commitment to environmental consciousness by actively participating in the "State Level Workshop on Environmental Awareness (MeendumManchhapai)." This significant event was held in Courtallam, Tenkasi District, from February 15 to February 17, 2024.

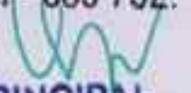

The journey was started at 4.00 pm on 14.02.2024 from our college campus. We reached Courtallam on 15.02.2024 at 9.00 am in the morning. The program was begun sharply at 10.00 am with a prayer. All the students attended the program for three days from 15.02.2024 to 17.02.2024. The workshop provided a platform for participants to know various aspects of environmental awareness, fostering a deeper understanding of sustainable practices and conservation efforts. Led by Ms. E. Mala, the NSS team engaged in interactive sessions themselves in discussions about biodiversity conservation, waste management, and climate change mitigation strategies. On 17.02.2024 we departed from Courtallam, at 6.00 pm and we reached to our college at 7.00 pm on 18.02.2024 and all the students dispersed to their home.

Through their active involvement, they not only gained valuable insights but also contributed to the exchange of ideas and best practices among participants from across the state. As the NSS team returned to Vaniyambadi, they brought with them a renewed sense of purpose and determination to champion environmental causes and promote sustainable living practices among their peers.
