### **Secretary's Message**

The vision of Islamiah Women's Arts & Science College has been to empower women with knowledge. We are proud to have a great team of Principal, teachers and support staff who have laid a strong foundation for academic excellence and high moral values. The College has crossed numerous hurdles to now be on par with the standards maintained by the best of the institutions. We pray to the Almighty that our commitment to creating women of high moral standards, empowered with job competence and social awareness may come to fruition. I congratulate and appreciate the efforts that have gone into the creation of this newsletter.

**Mr. C. Khaizer Ahmed**  
**Secretary and Correspondent**

### **Principal's Message**

The quest for knowledge only has a beginning and a middle, but never an end. This praxis upon which Islamiah Women's Arts and Science College stands has been through much to arrive at the place where it stands.

With the very valuable lessons learnt from the pandemic, humane, commercial and scientific, we cherish the life given to us. With a renewed vigor we found everyone throwing in their all to live, learn, pray and play to the fullest. We found that the ordinary could be made extraordinary with just a little bit of sincerity. This newsletter is the culmination, or rather, the continuum of those sincere efforts of every individual of this college.

We extend our gratitude to the Management, Secretary and Correspondent, Mr. C. Khaizer Ahmed and Advisor, Late Dr. Major Syed Shahabudeen for their invaluable support in the creation of this Newsletter. Further, I acknowledge the efforts of the editorial board who have exerted great pains to document the events and activities of Islamiah Women's Arts and Science College.

**Dr. M. Renu**  
**Principal**
