INCULCATING SOCIAL RESPONSIBILITY DURING COVID PANDEMIC CRISIS

The mission of the college is to empower young women of the society to face all facets of life instilling ethical, social and noble values. The students should have social responsibility. During the academic year 2020-2021, all our focus was to meet the challenges of Covid 19 pandemic. We are the first to offer the whole campus of the college to the District Administration to be utilized as Quarantine Centre for Covid cases of Vaniyambadi region. Arrangements were made for the stay of doctors, nurses and about 600 patients in the campus. The Management provided beds, cots, pillows, bed sheets and clinical instruments from its own funds. The restrooms, bathrooms etc. required were all provided. Our students and staff braving the challenges of pandemic, served as volunteers to cooperate with the District Administration to create awareness among the public regarding the necessity of social distancing, masks, use of sanitizers etc. Arrangements were made to supply food packets to the needy people in the nearby slum areas during the lockdown period with the support of our college committee members and philanthropists.
