

**ISLAMIAH WOMEN'S ARTS AND SCIENCE COLLEGE,
VANIYAMBADI
INTERNAL QUALITY ASSURANCE CELL (IQAC)**

Internal Quality Assurance Cell was established in our college on 12th August 2013 with a view to promoting quality culture through internalizing and institutionalizing all initiatives with the support of the faculty and management. It is constituted as per the guidelines of NAAC and UGC. It conducts meetings periodically. Quality benchmarks are developed on the basis of the suggestions given by Internal and External Academic Auditors and Experts. It evolves best practices and quality initiatives and implements them to achieve academic excellence.

FUNCTIONS OF IQAC

1. To develop parameters for various academic and administrative activities of the college.
2. To prepare the academic calendar semester wise.
3. To collect and analyze the feedback from all stakeholders on quality related issues.
4. To organize Workshops, Seminars and Conferences on quality related themes and promotion of quality circles.
5. To document the various programs and activities of the institution.
6. To act as a Nodal agency for coordinating and disseminating best practices.
7. To conduct academic and administrative audit periodically and to take follow up actions.
8. To facilitate the preparation and submission of NIRF, AISHE.
9. To arrange for timely submission of AQAR.
